

INTERNATIONAL JOURNALIST | KEYNOTE SPEAKER

PAULA SLIER

HOW DO WE KNOW WHAT TO BELIEVE?

Paula Slier helps audiences navigate one of the defining questions of our time: how truth, trust and judgment survive in a world shaped by conflict, competing narratives and artificial intelligence.

CHANGING HOW THE WORLD
UNDERSTANDS MODERN CONFLICT

FROM THE FRONTLINES

Drawing on more than three decades of international journalism and reporting from conflict zones, Paula takes audiences beyond the headlines to explore how information, narratives, technology and human emotion shape what we believe - and the decisions we make.

**"THE FRONTLINES HAVE CHANGED.
THE BATTLE FOR TRUTH HAS NOT."**

FROM THE WORLD'S FRONTLINES TO THE INFORMATION BATTLEFIELD

Every keynote begins with a story from the frontlines. Every audience leaves with a new way of understanding the world.

01 BEHIND THE FRONTLINE: THE WAR YOU DON'T SEE

Beyond the headlines are the human stories of conflict.

Paula reveals the untold stories, ethical dilemmas and defining moments that rarely make the news - and what they teach us about humanity, leadership and courage.

02 FROM BOOTS ON THE GROUND TO BOTS ON THE SCREEN

How do you know what is true?

In an age of artificial intelligence, digital media and competing narratives, distinguishing fact from influence has never been more difficult. Paula explores the hidden information battlefield shaping what we believe and the decisions we make.

03 THE BULLET I DIDN'T DODGE: HOW I LOST EVERYTHING AND FOUND MYSELF

What happens when the greatest threat isn't the one you see coming?

A deeply personal story of betrayal, loss and resilience that explores how life's greatest setbacks can become the foundation for renewed purpose and lasting impact.

04 FEARLESS & FEMALE: BREAKING BARRIERS ON THE FRONTLINE

What does real courage look like when the odds are against you?

Paula shares powerful lessons on courage, confidence and resilience from her experience as a woman reporting from some of the world's toughest conflict zones.
